

## **Mr. Israel B. Nyanfor, Sr.**

I am Mr. Israel B. Nyanfor, Sr., a devoted Christian, husband, father, and administrator committed to serving God and humanity. I was born on December 25, 1986, in Harper City, Maryland County, Liberia. Though my father is late, I remain thankful the Almighty God for my mother and siblings, whose love and support helped shape my life.

I am happily married to Mrs. Felecia St. Nyanfor. We celebrated our traditional marriage in 2020 and our western marriage in 2024. God has blessed us with two children, *Israel B. Nyanfor Jr. and P. Fesrael Nyanfor*, as well as three adopted children. My family is a true reflection of God's grace and faithfulness.

My life is grounded in faith in Jesus Christ. I serve as Minister for Sanctuary Affairs and National Administrator of the Harvest Christian Fellowship Network Ministries. I believe that true leadership begins with a heart surrendered to Jesus Christ.

I hold a Bachelor of Science degree in Information Technology with an emphasis in System Administration, an Associate of Arts degree in Computer Science, and several professional certifications, including MCP, PMP, and Monitoring & Evaluation. Currently, I am pursuing studies in Education Management at the William V. S. Tubman College of Education, University of Liberia.

With over sixteen years of professional experience in multinational companies and educational institutions, including universities, WAEC Liberia, the Ministry of Education, and primary and secondary schools in Liberia. I am the owner of an ICT School and an Educational NGO in Liberia, serving the nation for more than a decade. In January 2025, I joined the HCC family as Human Resources Director and now serve as Chief Operating Officer (COO).

Serving at HCC is the fulfillment of a lifelong dream. Having been raised with care by individuals who were not related to me by blood, I developed a deep passion for helping vulnerable and underprivileged children. I strongly believe that Jesus Christ is the center of this mission and the ultimate solution to life's challenges.

I remain committed to serving with the fear of God, love for children, and dedication to sharing the Gospel. I see my role as a sacred responsibility to help shape the future of these children through Christ Jesus.
