

Julie Buuck Bio

Hello! Thank you for your interest in me as a part of the leadership team for Hope and Care Outreach!

In addition to my service to HCO, I currently serve as the Director of Student Life at Faith Lutheran Middle School and High School. I feel called to help students discover their gifts, mentor the growth of those gifts, and empower them to use their gifts to serve others as they honor the Lord, Jesus Christ.

I have been married to my college sweetheart for 36 years. I have 3 grown children and 2 grandchildren.

I completed my undergraduate work, Associates degrees in Legal and Medical Studies and my Bachelor's degree in Business Management, from Concordia University Wisconsin, and my Masters in Higher Education Student Affairs from Grand Canyon University.

Although I began my career in the world of Business, it seems the Lord had other plans for me as I've been blessed to work in student ministry, collegiate & secondary admissions and education, and I am so grateful for the journey.

I love to travel and have been blessed to have many opportunities to serve on and lead numerous mission teams, typically consisting of young adults/teens, through local service, as well as through national and international missions all over the world.

Ironically, I also love home and hospitality! I have an interest in home decorating and find joy in creating a comfortable inviting sanctuary for my family and friends where we can gather together and celebrate life. The best house is a full house!

I feel blessed to be invited to be a part of what God is doing in Liberia and I look forward to engaging in His plan for Hope and Care Outreach here in the United States.

1 Peter 4:10 Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms.
