

Kimberly Arkens

Kimberly attended Lutheran grade school in Southern California at Immanuel Lutheran Riverside. Kimberly married Dave in 1985 and they spent the next 25 years in Central Point, Oregon raising their daughter and son.

They moved to Las Vegas in 2010 when they became empty nesters and then to Logandale in 2019. They still continue to worship at Faith Community Lutheran church in Las Vegas and visit Prince of Peace Lutheran in Mesquite on occasion. They have four grandchildren. In 2020, a year after Kimberly's dad died, they moved her mom (Linda) in to live with them. Kimberly works as a forensic medical transcriptionist for Clark County Coroner's Office and also is a Norwex consultant for fun. Kimberly serves on the Hope and Care Outreach board as the secretary and has gone on two mission trips to Liberia (2017 and 2020). Kimberly is a watercolor artist and enjoys hiking and the outdoors and traveling to see the grandkids.
