LINDA ANGELINE

Linda was born in Trenton, NJ, but moved to LV at only 6 weeks old, as her father's musical quartet was in high demand in the casino showrooms in LV.

She has been married to her husband, Adam, for 20 years and has 1 grown daughter and 3 grandchildren.

She is a Senior Project Manager at Novum Pharmaceutical Research Services and has been at the company for 13 years. Previously, she was a Realtor for Real Estate Resources and Coldwell Banker, holding the Accredited Buyer's Representative (ABR) designation.

She attends Valley Vegas Church, has been a member for over 11 years, and loves to volunteer her time on the praise and worship team. She also leads a women's small Bible study group in her home, and loves studying the word of God with other women in the church. Previously, she attended Canyon Ridge Christian Church, where she was also on the praise and worship team and was the worship leader for the women's Bible Study group of approximately 150 women!

She has volunteered her time singing for various senior centers around the LV area, including "320 Ministries" 501C3, which is an outreach that brings church to the elderly in various senior centers.

She has also been in various bands in LV, and since 1992, has performed on virtually every major stage on the LV Strip!

Linda spent some time as the "Spiritual Ambassador" on the Board of Directors for the "Jason Foundation," a 501C3, for the prevention of youth suicide.

She feels God led her to the Hope and Care Outreach and is honored to have the opportunity to serve on the board as a Trustee.
