

Linda Kurtz

My passion is serving the Lord in our local communities and internationally. My family and I moved to Las Vegas in 2005 where I served as Assistant Director of City Mission Las Vegas.

In 2007 I went on staff as the Mission Director of Faith Community Lutheran Church and Schools. I had the joy of encouraging God's people to serve through gifts of their time, talent and resources to share God's love locally, nationally and internationally. In 2009, Faith Community began a small orphan sponsorship program in Liberia and by God's grace it sprouted into Hope and Care for Children, Inc - Liberia and Hope and Care Outreach - USA.

I have served in leadership capacities on various LCMS district and conventional committees and currently sit as Treasurer to African Radio Ministries and Vice-Chair on our circuit's mission society. I have been married for 35 years and have 3 adult children and 1 grandchild.
