

## **Rev Forkpayea Selmah**

I became member of the Evangelical Lutheran Church Liberia Synod on August 20, 1988 and was baptized at 10:30 by Rev David R Moore in my home Town Kolliemai. In all, about 20 adults and 15 children were baptized that day. I served as pastor in this church and eventually went on to attend a seminary in Nigeria.

I then served as assistant pastor of St Paul ELCLS church until I was called to plant a mission church in Gbarnga Bong County. Currently I serve as sole pastor at New Hope Evangelical Lutheran Church in Gbarnga and Principal to New Hope Lutheran High School.

I also serve as Director of Lutheran Training to the ELCLS.
